Présentation de l'éditeur

Kenric St. James is out for revenge. Over 300 years ago, an ancient female vampire turned him against his will and killed the woman he loved. He's spent more than a century building an Enclave of warrior vampires who have sworn to defend humanity against his evil sire and her minions. But when Kenric finds a woman he finally burns to claim as his own again, Kenric knows loving her means giving his sire another target. Emily Ross just wanted a fresh start. She's a survivor, coming off the tail end of an abusive relationship, and craves time alone to learn who she is and to save the home that holds her heart. The last thing she needed was a controlling, alpha male calling all the shots. Meeting Kenric might just have changed her mind, though. He is wrong for her in all the right ways. But in order to keep her heart from breaking, he first has to keep the hordes of evil vamps from stealing her very breath.
