Revue de presse

"Our love of succulent patties is long-held, but not celebrated enough in book form. Until now. Having dedicated a blog to them, artist Burgerac teamed up with Nobrow Press to create this illustrated recipe book designed as pull-out-and-keep placemats. With recipes from Opera tavern, Byron, Fred Smith and Burgerac himself, this won't just look pretty - it'll put meat on the table too" --Shortlist magazine Présentation de l'éditeur

The Burgermat Show is a result of a one-night-only pop-up burger experience. Twenty four artists created eye-popping, burger-themed placemats that diners could keep as souvenirs after chowing down on succulent, meaty, mouth-watering burgers created just for the occasion. Now two copies of each luscious Burgermat have been lovingly reproduced in this commemorative book, along with some awesome burger recipes.

Why? To give you the chance to happily tear out the enclosed designs and recipes and recreate the Burgermat Show wherever you are, whenever you like! Biographie de l'auteur
