Présentation de l'éditeur

It begins as a mission to protect a politician from an assassination threat. But the operation takes an unexpected turn when Mari, a mysteriously beautiful GhostWalker, is taken hostage. At the same time, Ken Norton, expert assassin and himself a GhostWalker warrior, is on a mission of his own—one that reaches into Mari's own past. No stranger to the ways of violent warfare, Mari must join forces with Ken and trust his every move—each one more intimate than the last.**Publishers Weekly*Biographie de l'auteur

I live in the beautiful mountains of Lake County, California. I have always loved hiking, camping, rafting and being outdoors. I've also been involved in the martial arts for years—I hold a third degree black belt, instruct in a Korean karate system, and have taught self-defense. I am happily married to a romantic man who often inspires me with his thoughtfulness. We have a yours, mine, and ours family, claiming eleven children as our own. I have always written books, forcing my ten sisters to read every word, and now my daughters read and help me edit my manuscripts. It is fun to take all the research I have done on wild animals, raptors, vampires, weather, and volcanoes and put it together with romance.
